Ryan Korban has redefined luxury for a new generation, with an approach to interior design that infuses a timeless sensibility with a sense of lost romance, sex, fantasy, and a strong fashion influence. In this beautiful book filled with more than one hundred full-color photographs, the acclaimed interior designer, who is making a career of translating this aesthetic into elegant, comfortable interiors, shows readers how to achieve a sense of luxury in their homes that is at once glamorous and highly personal. Each of the book's seven thematic chapters focuses on a key component or influence that is essential to Korban's approach to decorating, and offers numerous sources of inspiration and innovative ideas. Every section also includes an introductory essay that explains his point of view on the subject, followed by a seamless flow of captioned images that expresses it in detail and from various visual perspectives. The photographs of spaces he has designed—including homes for celebrity clients—are complemented by images from fashion, advertising, fine art, and design that will inspire readers with their compelling juxtaposition and enhance the luxurious aesthetic. A Sources section listing Korban's go-to shops for everything from flowers to furniture rounds out this stunning book that is as alluring as the spaces featured within.
