Product Description

Arm your students with the strategies they need for success with 101 Tips for Online Course Success. Many students think they are prepared for online classes, in fact they often think they will be easier than on-ground courses, but are they actually ready for the challenges that come with learning online? Help your students manage their time, keep organized, stay motivated, use online resources, use learning management systems, work in groups, and much more! 101 Tips for Online Course Success is everything your students need to succeed in an online or hybrid course. It is their handbook and planner that can complement any online or hybrid course, regardless of the subject matter. It can also be used in student success courses that introduce students to the college experience. Most of the strategies and tips included in this text are also relevant to the onsite courses.
