Product Description

This is the smaller 'deck or pocket' edition of this title. The traditional tarot is often used to satisfy a longing to know about the past and future. What about my health, the children? What will happen if I make this decision and not that one? This Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative.
