### Product Description

Reinforce your understanding of veterinary assisting! Corresponding to the chapters in Elsevier's Veterinary Assisting Textbook, 3rd Edition, by Margi Sirois, this workbook provides activities and exercises for additional review and practice of the tasks performed by veterinary assistants. With challenging review questions, sample cases, and more, it's an excellent way to master the material and prepare for success on the AVA exam and in the veterinary clinic. Learning activities reinforce the essential information in each chapter of the textbook, including review questions, short essays, illustration labeling, matching questions, fill-in-the-blank questions, true-or-false questions, multiple-choice questions, crossword puzzles, and word searches. Learning objectives in each chapter help you focus on the material and concepts that you are expected to learn and how to apply them in the clinical setting. NEW! Updated activities and questions reflect the new content in Elsevier's Veterinary Assisting Textbook, 3rd Edition.
