Product Description

Headed by principals Krista Schrock and David John Dick, DISC Interiors is an interior and furniture design firm based in Silver Lake, Los Angeles. DISC Interiors strives to create homes of calibrated simplicity that balance the push and pull of modern life, address a sense of place and persons rather than any particular period or style, and balance the traditional with the modern and aesthetics with function. DISC Interiors favours earthy colour palettes that transition like seasons, and organic textures that patina gently like metals that burnish with touch, leathers that soften, and floorboards that reveal more of a home's soul with every year. The homes they design are filled with vintage furniture and rugs juxtaposed against custom upholstery to feel contemporary yet classic and familiar. The projects designed by DISC Interiors represent a one-of-a-kind combination of traditional details and contemporary chic, and Portraits of Home is inspiring for all those seeking both contemporary and traditional solutions to twenty-first-century living.
