Product Description

Assessment is a core component of social work. Since first publication, Assessment in Social Work has provided students and practitioners with a clear overview of the complex issues they face and a map of the theory they need to draw on in order to conduct thorough, effective and meaningful assessments. New to this Edition: - Updated and revised chapter on Signs of Safety/Strengths in light of recent research and guidance - Coverage of recording and sharing information included throughout the text - Added coverage of confidentiality and inter-agency working Updated material in light of the Mental Capacity Act - More material on Cultural differences throughout - Updated legislation and professional guidance throughout Refreshed and updated examples thought-out the text - A more detailed outline of the different national perspectives within the UK
