Product Description

Barron's ACT Flashcards features 400 cards with practice and strategies for all five sections of the test. Cards feature test-taking tips and realistic practice, and are divided in categories that match the ACT test sections: The English cards focus mainly on punctuation, grammar, and style The Math cards cover all math topics on the ACT The Reading cards contain strategies to maximize time and determine correct answers The Science cards cover data representation, research summaries, and conflicting viewpoints The Writing cards offer tips for creating a strong essay All cards have corner punch holes that accommodate an enclosed metal key-ring-style card holder, which students can use to arrange cards in sequences that best fit their study needs.
