Product Description

In her latest book, *Garden Style*, Selina Lake reveals how to make the most of any outdoor space, no matter what size or shape. Selina begins by describing her sources of inspiration - famous gardens, nurseries and garden centres, plant catalogues and botanical prints. Armed with ideas, she moves on to Chapter Two, *Decorating your Garden*, which is packed with suggestions for container gardening and introducing decorative features. In the next chapter, *Bringing the Outside In*, she harvests flowers and foliage from the garden to provide seasonal adornment for her home. Chapter Four, *Garden Rooms, Greenhouses and Sheds*, taps into the current trend for garden buildings that allow you to make the most of your outdoor space. Next, in *Relaxing Outdoors*, Selina explains how to transform your garden into a stylish space for entertaining, with ideas on furniture, lighting and more. Finally, in *Eating Outdoors*, Selina offers advice on creating an inviting outdoor room for eating al fresco. The book is peppered with styling ideas and simple projects. There are also tips on choosing easy-to-grow garden plants and even growing your own produce. Perfect for anyone who wants to make the most of their own little patch of green, *Garden Style* will also appeal to those who might have neglected their outdoor space and need help to see the potential in their plot. *Garden Style* will allow readers to transform even the smallest scrap of outdoor space into a lush green retreat.
